Unabridged Birth Certificate For Minors:

Under the new law, all minors under the age of 18 years are required to produce, in addition to their passport, an Unabridged Birth Certificate (showing the particulars of both parents). It is the responsibility of passengers to ensure their children have the correct documentation or risk being denied boarding. When a child travels with only one parent, additional documents should include an affidavit in which the absent parent gives consent for the child to travel, a court order granting full parental responsibilities or legal guardianship of the child, or the death certificate of the absent parent. The affidavit should be no more than 3 months old from date of travel.
